Bahasa Crash Course is back!

..and this time it's for FREE!! The venue would be SOE/SOSS Class Room 3.5. See you there!

After its successful reception last year, we will hold another Bahasa Crash Course (BCC) session this semester. BCC will be a platform to teach introductory Bahasa Indonesia to non-Indonesian speakers and, in turn, raising awareness of Indonesian culture to the SMU community. Participants will both learn the basics of Bahasa Indonesia and have fun along the way. Enjoy watching Indonesian movie with English subtitles at the end of the event! =)
